## CTR8540-8300

### System Overview E-learning course TRN-WW-CTR-01-01E

---

#### Course Specifics

Duration:	Self-paced e-learning (~1 hours)
Delivery Format	ELearning
Pricing:	US\$125.00

Online Training

#### Course Description

The CTR8540/8300 System Overview course provides students with an overview of the basic features, equipment configuration and functionality for the CT8540/8300. Successfully completing a short assessment at the end of the course will provide students with credentials necessary towards the Aviat Network Associate certification level.

#### Target Audience

This course is intended for entry level personnel requiring a working knowledge of CTR radio concepts

#### Prerequisites

- No technical knowledge prerequisites are needed.
- PC with Internet access, Internet browser software, access and subscription to AviatCare LMS.

#### Objectives

Upon successfully completing this course, participants will be able to:

- Understand the different network elements which are incorporated in the CTR radio
